

EDINBURGH AND LOTHIAN DRIVING INSTRUCTORS ASSOCIATION

Meeting opened : Our new chairman, round of applause
Keith Malcom opened meeting.

All members were given a draft of our associations constitution to read and asked to vote to accept it. A copy of which is on the website for those members unable to attend.

This was adopted with amendments.

Keith then invited Gavin Brownlie to start his presentation.

Gavin began his presentation on the Goals for Driving Education.

The GDE matrix has a lot of information which can be quite off putting gavin gave out a sheet of paper condensing the basic GDE for the members. Most of you will be using parts of this in most or some parts of your lesson, at some point though and its coming the DSA will be using this methods in check tests watch this space. So if unsure about this, start now go onto the website for the GDE.

Its all about making lessons tailored to your pupils learning using senarios and bringing this system in when you feel the pupil is ready for it, very close to what hopefully we all do.

Other Matters: The WLDIA are having a CPD Dyslexia course in livingston on 20th Feb cost £25 from 6pm. Being run by Dyslexia Scotland. If interested contact me.

The Meetings are now being rotated from East side to West.

A point was made that all members cannot make the christmas night out so why not have a few nights out for the association, like ten pin or driver road rally other suggestions welcome so all can benefit.

Would all members going to East Kilbride please contact gavin asap payment is now due. Address is Straven park,
Calder green country park postcode G74 OQZ

Next Meeting: Craigmount high School whoop!

Will send reminders to all
